

BUFFET LUNCHES ON THE CONFERENCE DAYS (4 DAYS)

The gastronomic offer of the Grand Hotel Esztergom is characterised by both domestic flavours and international trends. **Conference participants can enjoy a buffet lunch in the hotel restaurant on the 4 conference days** (Monday, Tuesday, Wednesday and Thursday). The restaurant's spectacular kitchen will give you a behind-the-scenes look, making the experience even more exciting.

During the lunches, participants will be able to choose from a variety of appetizers, soups, main courses, side dishes, cheese and desserts prepared by a Hungarian executive and a sous chef.

Gluten and lactose intolerant guests are also catered for, and hotel staff are happy to provide information on the various dishes.
