

PARTICIPATION ON THE GALA DINNER (WEDNESDAY, 4TH SEPTEMBER)

On the last evening of the conference, Wednesday, **the Gala Dinner** - which is included in the participation fee - will be held at the **Prímás Pince in Esztergom** only 15 minutes' walk from the Conference venue.

The restaurant successfully combines international traditions with modern gastronomic elements, while preserving the diversity and national character of the Hungarian cuisine of the Carpathian Basin.

During the dinner, while the waiters serve the food to the participants, they can discuss the experiences of the past days and we offer the opportunity for informal conversations and discussions.

In addition to delicious and varied food and drinks, which will add to the atmosphere of the evening, an acoustic duo will entertain guests throughout the night.
