

## WELCOME REFRESHMENT ON SUNDAY (1ST SEPTEMBER)

Sunday afternoon, upon arrival we are waiting the participants with a **welcome refreshment** at the conference venue, **Grand Hotel Esztergom**.

You must have been hungry during the long journey, so you will be able to choose from cold and hot beverages and finger sandwiches.

While enjoying refreshments, it's a great opportunity to say hello to many old acquaintances or colleagues and catch up on the most important events of the past period.
